Volume 1 no 1

• Dear Parents and Carers

Welcome back to our existing pupils and families, and a warm welcome to our new pupils and families. I hope that you have had a great summer break and that you all had a restful holiday! It has been a positive start to the academic year at Pentland Field—we now have 111 pupils on roll—and counting! We aim to have around 125 pupils by October half term and we will slowly increase to around 140 pupils over the next two years or so. We have also increased our staff team—we now have 16 teachers that includes a total of 75 full time staff—we have grown!! I am very impressed with the conduct and appearance of the pupils and they, along with the staff are all getting to grips with their new routines whilst making new friendships. Of course, the biggest changes are also connected with the building—Phase 3 is now completed and we now have 4 brand new classrooms and 4 new specialist rooms that have made Pentland Field a fantastic place for your child to learn. To this end, on behalf of the staff, I would like to invite you to visit the school next week on **Friday 23rd September from 1.30pm onwards**, where you can informally meet your child's class teacher and have a look at the new buildings, including the new Sports Hall. You will be free to take your child home early on this day if you so wish—please ensure you inform transport where applicable if you decide to do so. You will also be receiving in the next few weeks a number of important dates for your diary—but I hope that you will be free to come and see us next Friday, September 23rd. Please let your child's class teacher know if you plan to come. We are also looking for a new Governor to be responsible for Finance—if you know of anyone with financial connections who may be interested please ask them to contact Jo Richards, Administration Manger on 01895 609120 for further details.

We look forward to seeing you next week!

Audrey Pantelis, Head of School
