

PE and Sports Premium Grant Spending Action Plan Summary 2016-2017

The Government in England has provided additional funding of over **£150 million per annum** since 2013/14 to improve PE and school sport in primary schools. From September 2017, the funding will be doubled to enable primary schools to make further improvements to the quality and breadth of the PE and sport they offer. **The funding is ring-fenced and can only be spent on PE and school sport provision in schools.**

At Pentland Field School we are developing our PE provision as the school is growing in its pupil population. We currently have 88 primary aged pupils from Reception to Year 6 on roll. The school fully intends to use the funding to make additional and sustainable improvements to the quality of PE and sport we offer through three main headings/definitions:

Physical Education is the planned, progressive learning that takes place in school curriculum timetabled time and which is delivered to all pupils. This involves both 'learning to move' (i.e. becoming more physically competent) and 'moving to learn' (e.g. learning through movement, a range of skills and understandings beyond physical activity, such as co-operating with others). The context for the learning is physical activity, with children experiencing a broad range of activities, including sport and dance.

Physical Activity is a broad term referring to all bodily movement that uses energy. It includes all forms of physical education, sports and dance activities. However, it is wider than this, as it also includes indoor and outdoor play, work-related activity, outdoor and adventurous activities, active travel (e.g. walking, cycling, rollerblading, scooting) and routine, habitual activities such as using the stairs, doing housework and gardening.

School Sport is the structured learning that takes place beyond the curriculum (i.e. in the extended curriculum) within school settings; this is sometimes referred to as out-of-school-hours learning. Again, the context for the learning is physical activity. The

'school sport' programme has the potential to develop and broaden the foundation learning that takes place in physical education. It also forms a vital link with 'community sport and activity'.

Pentland Field School is committed to ensuring equality and inclusion and our Ready to Learn and Ready for Life curriculums ensure all pupils have regular and unhindered access to the three main definitions of PE and sport during the week. We also offer regular opportunities for pupils to take part in lunchtime activities that promote healthy active lifestyles and also the school's main aspiration of developing independent learners.

PE and Sport Premium Grant Spending Action Plan 2016-2017

Projection for spending in the next academic year (2016-2017)

PE and Sport Premium Grant 2016-17		
Amount of PE and Sport Premium Grant received in 2015-16		£8125
Amount of PE and Sport Premium Catch-Up Grant to be received in 2016-17		
November 2016	£4801	
May 2017	£3429	£8230
