

READ, WRITE, INC at Pentland Field School

Read Write Inc. Phonics is a complete literacy programme that is being used across the whole school. We are adapting its use to deliver a consistent reading, writing and phonics approach to literacy.

All children will have the opportunity to:

- Learn the first 30 sounds in short daily sessions
- Read storybooks and non-fiction books closely matched to their developing phonic knowledge
- Take home Phonics storybooks to share
- Read with fluency and expression
- Learn to spell using known sounds
- Write confidently by practising what they want to write out loud first
- Work well with a partner

Read Write Inc. Literacy and Language is a complete literacy programme for fluent readers and at Pentland Field School, some of our children will be able to read, write and discuss texts with maturity that is appropriate to their individual learning profiles. The programme is totally aligned to the new National Curriculum in a fun and meaningful way and we will adapt them accordingly.

Literacy and Language:

- Gives every child a deep understanding of what they read using the special 'three reads' approach
- Fully prepares every child for writing using a planning, drafting and revising method
- Teaches grammar in context so that children can apply it seamlessly in their own writing
- Supports the grammar and punctuation aspects of the Key Stage 1 and 2 tests
- Includes practice tests to build confidence prior to statutory assessment

The implementation of Read, Write, Inc at Pentland Field School has and will include the following:

- Baseline assessment (for ALL verbal and non-verbal pupils)
- All pupils are grouped by stage
- Delivery of quality first teaching
- The construction of small phonic groups
- Observations and learning walks that monitor the quality of the intervention
- Re-assessment that measures progress
